TIMELINE TO VOTE

If you are in Missouri, you can register to vote as soon as you arrive. However, you cannot vote unless you registered on or before the fourth (4th) Wednesday prior to the election.

DEADLINE TO VOTE

The registration deadline is the fourth (4th) Wednesday prior to an election.

ELIGIBILITY

A person may vote at any election who:

- Is a citizen of the United States and is 18 years of age or older,
- Has been a resident of the state and of the election district, in which the person seeks to vote for at least 28 days prior to the election,
- Has registered before the election registration deadline,
- And is not registered to vote in another jurisdiction.

CONVICTED FELON

Even though you have served your time and are on probation.

A convicted felon may not register to vote unless discharged from custody.

REGISTERING AGE

You can register at 17½ years old, but you must be eighteen on or before Election Day in order to vote.

POWER OF ATTORNEY

Each person must sign or make a mark on an application when registering to vote or voting. No one can do this for someone else.

VOTER RECORD

Portions of your voter record are confidential: social security number, phone number. Missouri residents do not register by party and therefore it is not public information and is not printed on any voter list. However, to vote in a party primary election Missouri registrants must state a party preference prior to receiving a ballot.
